NCC

NASSAU COMMUNITY COLLEGE

ACADEMIC PROGRAMS/REQUIREMENTS FOR

SPRING 2022/FALL 2022 FRESHMAN/TRANSFERS

General Requirements for Admission

Nassau Community College has an open admission policy guaranteeing admission to students who meet the criteria outlined below. Applicants must meet one of the following:

1. Possess an official high school transcript with graduation date or high school equivalent diploma (TASC/GED).

2. Meet the Home-Schooled Student requirements.

3. Enroll in the New York State 24 College Credit TASC Program (formerly known as GED).

Prospective students are not required by the college to submit standardized test scores such as SAT or ACT. However, submission of these test scores may waive the student from some or all parts of the placement tests.

Placement exams in the areas of English, Reading and Mathematics may be required as part of the admission process. Students whose placement test scores indicate placement in developmental courses must enroll in these courses in their first semester of attendance at NCC.

Programs in health related areas and Mortuary Science may require a background check and/or drug screening prior to being eligible for acceptance. Information about specific requirements may be found by contacting the department.

To apply for admission visit ncc.edu/apply

02/2022

PHOTOGRAPHY	Cert. · ART6 · NON STEM	
PHYSICAL EDUCATION STUDIES	AS · PED1 · NON STEM	
PHYSICAL THERAPIST ASSISTANT Deadline - February 24, 2022	AAS · AHS2 · NON STEM	**Fall admission only. No evening program.** **Freshmen:** Grades of 75 or above in high school biology, chemistry, and 2 years of college preparatory math. **Transfers:** : Grade of C+ or better in Anatomy & Physiology 1 and currently enrolled in, or completion of, Anatomy & Physiology 2. Completion of at least 12 liberal arts credits, with GPA of 2.5 or above, from the PTA program. If chemistry was not taken in high school, a semester of introductory college chemistry is required, and may be counted as part of the required "12 liberal arts credits." All transfer applicants must be in good academic standing at previous college. **All Applicants:** : **Interview required**. Placement in remediation will remove applicant from consideration. Some accepted students may have to take courses prior to their first semester.
Radiologic Tech: RADIATION THERAPY TECH Deadline - January 31, 2022	AAS · AHS3 · NON STEM	**Fall admission only. No evening program.** **Freshmen: :** Cumulative high school GPA of at least 77. Grades of at least 75 in biology, chemistry or physics, and 2 years of college preparatory math.. **Transfers:** : Recommend completion of NCC's ENG 101, MAT 109, a 4-credit laboratory science (preferably Anatomy & Physiology 1). Overall GPA of 2.8 or above. **All applicants**: The TEAS (Test of Essential Academic Skills) is required of all applicants. Register at: www.ati.com for the exam for nursing students and have scores forwarded electronically to NCC's Office of Admissions (admissions@ncc.edu). Minimum composite TEAS score of 58.7 required. Submit a 300-word essay, describing your reasons for wishing to enter this field and the qualities you possess that will enable you to become a capable radiation therapist. Required research: applicants must research what the roles and responsibilities of a licensed radiation therapist are, and have a basic understanding of the job description. **Interview required.** All accepted applicants must pass a criminal background check and drug testing, at the cost of the applicant. Must be legally eligible for employment and licensure in the U.S. at the time of application. Must be at least 18 years old on the first day of the first semester. Placement in remediation will remove applicant from consideration. Some accepted students may have to take courses prior to their first semester.

PROGRAM	DEGREE/CODE	ADMISSIONS REQUIREMENTS/COMMENTS
RADIOLOGIC TECHNOLOGY (X-Ray Technology) Deadline - January 31, 2022	AAS · AHS4 · NON STEM	**Fall admission only. No evening program.** **Freshmen: :** Cumulative high school GPA of at least 80. Grades of at least 80 in biology, chemistry or physics, and 2 years of college preparatory math. High school requirements must be met prior to the start of senior year. **Transfers:** Applicants lacking one or more high school requirements and students transferring with college courses must complete ENG 101, a 3-or-4-credit, non-remedial math course, and either AHS 131 or a semester of college science (biology, chemistry or physics). Overall college cumulative GPA must be 2.85 or above. **All applicants:** The TEAS (Test of Essential Academic Skills) is required of all program applicants. Register at www.ati.com for the exam for nursing students, and have scores emailed to: admissions@ncc.edu. Minimum composite TEAS score of 58.7 required. Applicants are strongly encouraged to attend an Information Session; see NCC website for dates and times. Must submit an essay by program deadline, no longer than 250 words, describing your knowledge of the occupation and reason(s) for choosing the field, and emailed to admissions@ncc.edu. Chances for program admission are increased for applicants who have completed the Liberal Arts courses that are part of the Radiologic Technology curriculum. **Interview required.** Criminal background check required before acceptance. Must be legally eligible for employment and licensure in the U.S. at time of application. Must be at least 18 years old on the first day of the first semester. Placement in remediation will remove applicant from consideration. Some accepted students may have to take courses prior to their first semester.
RESPIRATORY CARE Deadline - March 7, 2022	AAS · AHS5 · STEM	**Fall admission only. No evening program.** **All applicants:** Upper 50% of high school class or college GPA of at least 2.5, with "C" (70) or greater in math, biology and chemistry prerequisites. Two years high school math or grade of at least "C" in an equivalent college math course such as NCC's MAT 100 or MAT 109 (or comparable course at another college); high school biology and chemistry, or college equivalents. **Interview Required** and criminal background check required prior to admission. Must be legally eligible for employment and licensure in the U.S. at time of application. Placement in remediation will remove applicant from consideration. For admitted students, MAT 109 and ENG 101 (or ENG 100 or 108) must be successfully completed, prior to beginning the first fall semester.
SPORT MARKETING	AS · MKT8 · NON STEM
