# A Message From The Director

It's an exciting time at WHPC. In the past year, we have added over 20 new shows to our program guide, giving us the most eclectic mix of music & talk radio we have ever had – and 100% of it is produced at our studios at Nassau Community College.

The students, staff, and community volunteers at WHPC all look forward to continuing the tradition of bringing you quality programming, on-air at 90.3FM, online at www.NCCradio.org, and

NOW AVAILABLE ON THE IHEARTRADIO APP as well as AMAZON DEVICES & GOOGLE HOME BY SAYING "PLAY WHPC!"

I have introduced a mission that surrounds everything we do at WHPC:

## WHPC PROVIDES PROFESSIONAL BROADCAST TRAINING TO QUALIFIED NASSAU COMMUNITY COLLEGE STUDENTS.

That means any student in good academic standing can apply to volunteer here – and has the opportunity to receive professional broadcast training at no additional cost beyond their paid tuition. It means that we are going to prioritize education, without sacrificing our on-air product, which will remain a priority.

I am excited to present to you the Summer 2019 program guide. I hope you enjoy the non-commercial programming as much as our students, alumnus, community volunteers and staff all enjoy producing it. - Shawn Novatt

### Check out some of our NEWEST Programs:

## Boomer Buzz Friday 3:30pm

This show focuses on issues of interest to the 60+ crowd, including health issues, financial options and lifestyle choices, both for senior citizens and their families.

#### Friendly Filibuster Tuesday 7pm

Political talk with a mission to prevent civil political discourse from falling into the mud! Hear differing viewpoints, including the liberal, conservative and moderate sides - and add your own opinions by calling in!

#### Sonic Cinema Tuesday 6pm

Ray Schwetz takes you inside the movies. Just like the best films, this show is an escape for the movie and movie score fan.

WHPC students celebrate winning THREE 2018 national college radio awards from the Intercollegiate Broadcasting System with NCC President Dr. W. Hubert Keen, VP of Academic Affairs Dr. Valerie Collins, Assistant Vice President of Workforce Development and Lifelong Learning Dr. Janet Caruso, and WHPC Director Shawn Novatt.

> WHPC is a proud partner of iHeartRadio! Search "WHPC" in the app or at iHeart.com!
